

Timetable for Post Graduate Certificate in Clinical Education

COMPLETELY ONLINE DISTANCE LEARNING COHORT

Starting September 2026

- All online teaching will take place via blackboard collaborate virtual learning platform.
- Students have to only attend 1 synchronised session per week as they are repeated and recorded to allow flexibility in attendance.
- There is an expectation that students complete online relevant asynchronous learning prior to attending one of the week synchronised learning sessions.

Term 1 Sept 2026 to December 2027 Post Graduate Certificate in Clinical Education

47*	Thurs 17/6/27	17.00-19.00	Online only Cohort	Assessment in Clinical Education	Synchronised online delivery	Helen Foster	Online only Cohort

For the distance learning online course, students are expected to complete the relevant asynchronous online resources and then attend one of the synchronised sessions per week as above.

NB. Students only need to attend 1 of the weeks synchronised sessions per week, as they are identical but allow for flexibility of attendance.
